

Construction cost of photovoltaic panels from flat to slope

*Support photovoltaic input and AC mains input
Suitable for home energy storage and emergency backup power supply*

The image is a composite. At the top, a modern, dark-colored house with a prominent gable window is shown. Below the house, on the left, is a large, white, floor-standing inverter with a small black display screen at the top. To the right of the inverter is a smaller inset box containing images of various smart home appliances: a white ceiling-mounted air conditioner, a white range hood, a white gas cooktop, a black refrigerator with a glass door, a white water dispenser, and a laptop computer. The background of the entire image is a landscape with snow-capped mountains and a field of solar panels in the foreground.
