### What does "There is no such thing as a free lunch" mean?

I had always understood 'there's no such thing as a free lunch' as an expression to demonstrate the economics concept of opportunity cost - whereby even if the lunch is fully paid for, one loses the

### **grammaticality**

A friend claims that the phrase for free is incorrect. Should we only say at no cost instead?

### **For free vs. free of charges**

I don't think there's any difference in meaning, although "free of charges" is much less common than "free of charge". Regarding your second question about context: given that English
