

# Free installation of rooftop solar power

## Overview

---

The federal government does not provide free solar panels, but many states and utilities offer incentives that can reduce the cost of going solar. You can install solar panels on your roof with no upfront cost by signing a lease or PPA or taking out a \$0-down loan.

## Free installation of rooftop solar power

---

### Energy for All: Single-Family

We provide low-to-no cost solar electric systems to families that qualify as low income, and install them using a barnraising model that gives volunteers and job trainees hands-on experience they can use
