## Paste as a link into a Word document

Shrinking in the horizontal direction only needs a relatively small amount of shrinkage. I could also play with font sizes and column spacing to make it fit. But the table as it appears in Excel

## [Tile roof mounting system installation manual](#)

the PV array should not be installed closer than 500mm to the perimeter of the roof including ridge line and eaves (unless verified by a professional engineer).

## [What is the = sign for next to the Name Group box in the start menu?](#)

It is three horizontal lines not two! It is an icon indicating access to a Start menu. If you pin items they appear as a Panel under Life at a glance on the Desktop and cease to be included

## [Tile Roof Hook Spacing Guide for European EPCs & Installers - How](#)

Proper spacing between roof hooks is essential for maintaining the structural stability of the solar mounting system. If hooks are spaced too far apart, mounting rails may experience

## Word 2010 Adjusting vertical tabs

I am trying to rework a resume template and I need to get rid of one of the horizontal tabs across the page or the vertical ruler up the page. I can make the rulers appear but nothing I do seems to take

## issue with MS word

Hello koelghosh, I'm John an Independent Advisor and a Microsoft user like you. I want to apologize if you encountered this issue. I understand you have a problem with scroll bar of Word on the right

## [How do I merge 2 email addresses to one account?](#)

I have 2 skype accounts (both with hotmail addresses) and would like to merge them to one. Is this possible?

## SolarRoof Pro 2.0 Pantile

- Assess the horizontal spacing of the Roof Hooks;
- Assess the vertical spacing of the Roof Hooks = approx. 1/2 to 3/4 of module height;
- Check the allowed max. spacing listed in this installation guide.

## Color Steel Tile Photovoltaic Bracket

Mainly applied to metal roofs, and its material is Al6005-T5. With its professional design, it can realize the perfect connection between roof support and roof to meet customer installation

### [Color steel tile photovoltaic roof bracket system](#)
