

# How much does a 100kW energy storage battery cabinet for Australian base stations cost

## Overview

---

Prices typically start from around A\$68,999 for a 100kWh battery system, depending on brand and configuration, and installation usually adds A\$1,000-3,000, depending on your site setup. If you're also installing a solar system (like a 100kW array), that could cost an extra.
