

# Is the communication base station power cabinet explosion-proof

## Lithium battery parameters

Product capacity: 100Ah

Product size: 135\*197\*35mm

Product weight: 1.82kg 197mm  
/7.7in

Product voltage: 3.2V

internal resistance: within 0.5

## Overview

---

Their corrosion-resistant and explosion-proof designs ensure safety and reliability in demanding environments.

## Is the communication base station power cabinet explosion-proof

---

### [Explosion-proof requirements for power cabinets in](#)

In flammable and explosive environments, the cabinet needs high protection against dust and water, usually no less than IP66, to effectively isolate arcs or sparks from reacting with other flammable media.

### [What Is Communication? , Oral Communication](#)

Defining Communication The root of the word "communication" in Latin is communicare, which means to share, or to make common (Weekley, 1967). Communication is defined as the process of
