

New Energy Storage Postgraduate Entrance Examination

Overview

With global renewable energy capacity projected to grow 75% by 2030 (2023 Gartner Emerging Tech Report), universities are racing to update their energy storage curricula. But what exactly should you expect in postgraduate entrance exams for this cutting-edge field?

.

New Energy Storage Postgraduate Entrance Examination

How to open link in a new tab in HTML?

Note I previously suggested blank instead of _blank because, if used, it'll open a new tab and then use the same tab if the link is clicked again. However, this is only because, as GolezTrol

When to use "new" and when not to, in C++?

You should use new when you wish an object to remain in existence until you delete it. If you do not use new then the object will be destroyed when it goes out of scope.
