[Crabbing off "A" dock in Astoria????, IFish Fishing Forum](#)

The CR is a whole different animal than a small bay. Reality is if we do put a crab pier in near deep enough water to catch crab, the people crabbing there will likely use too light of gear for

Support structures for solar trackers

One of the most significant, costly, and time-consuming aspects relating to the manufacture and installation of solar trackers is the use of piers to support the solar modules.

[Squidding Report: Les Davis Pier & Edmonds Pier](#)

Knew quite a few people that fished off the pier at les davis with much success. Try high tide close to a full moon, plus it always helped to have a flood light pointing in the water your fishing.

[Durable stuffer baits , IFish Fishing Forum](#)

Any of them durable enough to cast from the beach or pier without breaking in a couple trips?

[License costs almost 50 years ago: maybe we are getting](#)

I remember in the middle to late 80's filling punch cards fishing off just les Davis and dash point piers in the sound. Just a cut plug herring either under a bobber or cast and retrieved or

[Crabbing from Piers in Washington , IFish Fishing Forum](#)

Port Townsend pier is fair for red rock crab. Kayak Point park north of Marysville may be good for 1-3 crabs during a day of crabbing. Also try Cornet Bay piers and Bowman Bay pier

[Newport dock fishing , IFish Fishing Forum](#)

I was thinking of heading over next week to try herring fishing from shore, but after over an hour of searching, I'm still not positive where I'm allowed to fish from. I see the Port of Newport
