

The entire installation process of photovoltaic panels

The image shows a house with solar panels installed on its roof. In the foreground, there is a rack containing six solar inverters. To the right of the rack, there are four circular icons with text descriptions: a hand icon for 'easy to install and use', a globe icon for 'World wide Products', a battery icon for 'faster charging and discharging', and a lightning bolt icon for 'Multiple protection with alarm systems'. Below these icons, the text reads 'Can save energy' and 'the battery capacity can be increased freely and flexibly according to the situation of home use.' At the bottom, it states 'Rechargeable lithium batteries use safe LiFePO4'.
