

Trina Photovoltaic Panel Test

Overview

SolarReviews named Trina Solar the 8th best solar panel brand in 2025 with an Excellent Expert Review Score. Trina solar panels are average when it comes to performance and warranty, but are a reputable name in the solar industry.

Trina Photovoltaic Panel Test

Trina Solar Panel Review (2026) , 8MSolar

Trina's older Honey panels earned a reputation for their solid quality and strong performance. The newer Honey M panels take it a step further with advanced features.

Trina Solar panel review

It's a dual-glass panel which has benefits with rigidity but the downside is a thin front glass of 1.6mm. That's half the thickness of a normal single glass panel, and makes it more at risk to hail damage.

2025 Expert Trina Solar Panels Review

Despite not having the most impressive performance, Trina offers incredibly high-quality solar panels. Of the panels we reviewed for our best solar panels of 2025 list, Trina is the only one to get a perfect
